TOPIC DESCRIPTION: Harriette Cole's mission is to help people identify, stand in, and articulate their greatness. She'll put a Covid lens to her advice to enable these strategies to work in what, at times, feels like an invisible workplace. She'll also delve into the subtleties of how burnishing your brand is different for women and people of color. With probing questions posed by author and workplace expert, Debbie Epstein Henry, Harriette will reveal her magical tips on developing a presence and an impact, whether you're onsite or video and whether you're just starting out or you're reestablishing your connections and the ability to be seen and heard.
