***Note:** Due to COVID-19, the DEH Speaker Series is currently being offered exclusively online and membership options do not include in-person participation. When social distancing restrictions are removed, if it makes sense to return to in-person programming, we will resume in-person events at the same rate for existing members and continue to offer the events by webcast. With the new exclusive online offerings, you will be able to watch the events by the recorded events for one year. Please note that if a webcast is not offered due to changed speaker circumstances or cancellation or if participation in an event is not possible due to technical difficulties, emergencies, events in the news, or otherwise, the DEH Speaker Series is not responsible and your membership will be extended for an additional event. For membership and registration inquiries, please e-mail [Renee Green](#).

****Additional Note:** If you are not yet ready to commit to an annual membership, you can participate in the next DEH Speaker Series event by paying by check, as outlined above, in the amount of \$60. If you are an organization that has more than one individual who wants to participate, the corporate invoice pricing governs.
