**\*Note:** Due to COVID-19, the DEH Speaker Series is currently being offered exclusively online and membership options do not include in-person participation. When social distancing restrictions are removed, if it makes sense to return to in-person programming, we will resume in-person events at the same rate for existing members and continue to offer the events by webcast. With the new exclusive online offerings, organizations will be able to send links to their professionals for the recorded events so that their professionals can watch individually from any location. Please note that if a webcast is not offered due to changed speaker circumstances or cancellation or if participation in an event is not possible due to technical difficulties, emergencies, events in the news, or otherwise, the DEH Speaker Series is not responsible and the corporate membership will be extended for an additional event. For membership and registration inquiries, please e-mail [Renee Green](#).

**\*\*Additional Note:** For organizations with more than one individual who wants to participate, the corporate invoice pricing governs. For organizations not yet ready to commit to an annual membership, you can participate in the next DEH Speaker Series event and pay by check, as outlined above, as follows: \$1,250 for Gold, \$800 for Silver, \$400 for Bronze.
